

Belonging Believing Becoming

Our mission is to be a loving Christian community,
where everyone has a sense of **belonging**,
develops a strong **belief** in themselves and the Christian faith
and achieves their full potential **becoming** the best they can be.

Admissions Policy (Nursery) 2026

Introduction

1. This document sets out the Nursery admission arrangements of Didsbury CofE Primary School.

Process

1. Applications for admission to the Nursery should be made using the school Application Form by the closing date of 15th January. Application Forms are available on our school website or directly from the school office.
2. The school will inform parents of the offer of a place on or before 16th April or the next working day.
3. The Didsbury CofE Primary School has an admission number of 26 pupils for entry into Nursery. The school will accordingly admit at least 26 each year if sufficient applications are received. All applicants will be admitted if 26 or fewer apply. The school will admit pupils with an Education, Health and Care plan naming the school. Priority will then be given to those children who meet the criteria set out below.

Oversubscription Criteria

Looked After Children and Previously Looked After Children

1. The first oversubscription criterion must always be Looked After, Previously Looked After and Internationally Adopted Previously Looked After Children. As this is a legal requirement, it automatically appears as the first of the school's oversubscription criteria.

A "Looked After Child" (LAC) is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989) at the time of making an application to a school.

A "Previously Looked After Child" (PLAC) is a child who was looked after but ceased to be so because they were adopted or became subject to a child arrangements order or special guardianship order immediately following having been looked after.

An "Internationally Adopted Previously Looked After Child (IAPLAC) is a child who appears (to the admission authority) to have been in state care outside of England and ceased to be in state care as a result of being adopted.

Siblings

2. Siblings of pupils attending the school at the time of admission. 'Sibling' means a natural brother or sister, a half brother or sister, a legally adopted brother or sister or half-brother or sister, a step-brother or sister, or other child living in the same household who, in any of these cases, will be living with them at the same address at the date of their entry to the school. (Please refer to address definition.)

Children of staff

3. Children of all staff will be considered where the parent has a permanent contract of employment and work. Their normal base of work must be at Didsbury CE Primary School, Elm Grove, Didsbury, Manchester, M20 6RL.

Distance from school

4. Proximity to the school with those living at an address closest to the school having priority calculated by:

Measuring the distance by a straight line. All straight-line distances are calculated electronically using a geographical information system and with the support of the Local Authority where required.

Tie-breaker

Proximity to the school. We will measure the distance by a straight line. All straight line

distances are calculated electronically using a geographical information system and with the support of the Local Authority where required.

In the event that two or more children live at the same distance from the school (as can happen with families living in blocks of flats), random allocation, where supervised drawing of lots by an independent responsible person of good standing will be used to decide which child(ren) will be allocated the remaining place(s) (in accordance with 1.34 and 1.35 of the School Admissions Code).

Late applications

Applications received after the closing date and before the Trust admission meeting will be placed last in the criteria in which they fall unless the Trust is satisfied that there are exceptional circumstances which reasonably prevented the application from being submitted on time. Supporting evidence, including that provided by the required Supplementary Information Form, must also be supplied by the closing date for applications, unless it is satisfied that there are exceptional circumstances which reasonably prevented it being submitted on time. In the absence of such supporting evidence, the allocation of places will be made on the basis of the application alone.

In-Year admissions

From time to time a place becomes available further up the school. The allocation of places is in accordance with the admissions criteria. Preference will be given to children moving into the area from outside the Local Authority area who do not have a school place. Evidence will need to be provided that the child has recently moved in.

Admission of children outside their normal age group

Parents may request that their child is admitted to a year group outside their normal age range, for instance where the child is gifted or talented or where a child has suffered from particular social or medical issues impacting on their schooling. All such requests will be considered on their merits and either agreed or refused, on that basis. If a request is refused, the child will still be considered for admission to their normal age group.

The process for requesting such an admission is as follows: With the application, parents should request that the child is admitted to another year group (state which one), and the reasons for that request. Parents will submit any evidence in support of their case with the application, for instance from a medical practitioner, headteacher etc. Some of the evidence a parent might submit could include:

information about the child's academic, social and emotional development; where relevant, their medical history and the views of a medical professional; whether they have previously been educated out of their normal age group; and whether they may naturally have fallen into a lower age group if it were not for being born prematurely.

The school will consider each case on its merits, taking into account the individual circumstances of the request and the child's best interests. We will also ensure the parent is aware of whether the request for admission out of age group has been agreed before final offers are made, and the reason for any refusal. Requests for admission out of the normal year group will be considered alongside other applications made at the same time.

Waiting Lists

The school will operate a waiting list for each year group. Where in any year the school receives more applications for places than there are places available, a waiting list will operate until the end of the first term after the beginning of the school year. This will be maintained by the admission authority and it will be open to any parent to ask for their child's name to be placed on the waiting list, following an unsuccessful application. Children's position on the waiting list will be determined solely in accordance with the oversubscription criteria. Where places become vacant they will be allocated to children on the waiting list in accordance with the oversubscription criteria. The waiting list will be reordered in accordance with the oversubscription criteria whenever anyone is added to or leaves it.

Appeals Procedure

All applicants refused a place have a right of appeal to an independent appeal panel constituted and operated in accordance with the School Admission Appeals Code. Appellants should contact the School Office at Didsbury CofE Primary School at Elm Grove, Didsbury, Manchester, M20 6RL within 20 days of the date of the letter refusing your child a place at the school for information on how to appeal. Information on the timetable for the appeals process is on our website at <https://www.thrive-dce.com>.

Address definition

The address is the place where the child is permanently resident with his or her parent or parents or legal guardians. Evidence may be requested to show the address, for example: to which any Child Benefit is paid or at which the child is registered with a medical GP together with recent utilities bill, council tax bill or tenancy agreement. This evidence will be used when reaching a decision on the child's home address for admissions purposes (including where a child lives with parents with shared responsibility for each part of the week). Parents should not assume that a place will automatically be allocated to their child.

Enquiries

Should be to the School Office, Didsbury CE Primary School, Elm Grove, Didsbury, Manchester, M20 6RL.
